

Key Features

Drive Pack is uniquely designed to meet the needs of truck owners and operators. If your truck isn't moving, we can help! Truck Assist makes it simple to purchase insurance and protect your business. We've got your back no matter what, no matter when.

Just call us if you have any questions on **1800 827 747** or our website has stacks of answers to all your FAQs, making it easy to understand.

We've got your back no matter what, no matter when.

Comprehensive Motor

Drive Pack provides comprehensive motor cover, including third party liability, for your trucks, trailers, plant and machinery.

It also includes:

- New Vehicle Replacement for:
 - Motor Vehicles under 3 years old
 - Mobile plant under 2 years old
- Ability to adjust your excess and save premium
- Cover for accessories such as chains and tarps, and personal effects
- Trauma counselling
- Emergency accommodation

Optional extensions available:

- Agreed value option on trucks under 4.5T GVM
- Excess-free windscreen claim
- Up to 7 days truck hire after an accident

Downtime Cover

Our Downtime Cover looks after your business expenses when your vehicle is off the road due to an accident.

- Automatic cover of \$500 per week for up to 4 weeks (1 week excess applies)
- Includes ability to personalise your cover by:
 - Extending the period of cover
 - Tailoring the amount of money you require per week

Breakdown Service

Let's break it down. This inclusion in Drive Pack covers your vehicle for roadside assistance in the event of a breakdown.
